

## ROLLER SHUTTER VALUATION - STEP BY STEP

### STEP 1 - CALCULATE THE PRICE OF THE ROLLER SHUTTER (WITHOUT THE DRIVE AND ACCESSORIES).

1. Select the type and model of the roller shutter you want to evaluate.
2. Calculate the roller shutter surface and multiply it by the price \* given in the table.

EXTERNAL ROLLER SHUTTERS	
MODEL	price / m <sup>2</sup>
<a href="#">ST2000</a>	40 €
<a href="#">OL2000</a>	55 €
<a href="#">OS2000</a>	45 €
<a href="#">RL2000</a>	50 €
<a href="#">IT2000</a>	45 €

TOP-MOUNTED ROLLER SHUTTERS		
MODEL	WHITE (price / m <sup>2</sup> )	COLOR** (price / m <sup>2</sup> )
<a href="#">CC1000</a>	45 €	50 €
<a href="#">TL1000</a>	45 €	50 €
<a href="#">TP1000K</a>	50 €	60 €

\*The price includes: box, guides, curtain profiles, bottom rail, necessary reinforcements of boxes, static console, blocking bracket

\*\*Any color available in the palette

### STEP 2 - CALCULATE THE PRICE OF DRIVE AND ACCESSORIES.

1. Select the type of control.
  - a. Manual control - included in the price of shutters (you don't have to add anything else).
  - b. Electric control - for an extra charge (select the type of electric control, drive and suitable accessories).
2. Add the price of the selected drive and accessories together.

WIRED

Drive	70 €	135 €
<a href="#">Wall switch</a>	10 €	25 €

WIRELESS		
	<a href="#">ASA Plug &amp; Play radio drive</a>	<a href="#">SOMFY * Plug &amp; Play radio drive</a>
Drive	75 €	165 €
1-channel remote control	20 €	35 €
4-channel remote control	25 €	55 €
6-channel remote control (with timer)	55 €	140 €
16-channel remote control	60 €	115 €
Wall-mounted transmitter	20 €	40 €

\* SOMFY is priced only for EU countries

### STEP 3 - CALCULATE THE FINAL AMOUNT BY ADDING THE PRICE OF THE SHUTTER AND DRIVE WITH ADDITIONS.

(width x height of roller shutter) x price / m<sup>2</sup> + price of the drive + price of accessories = final price
